

C196 Storyboard

Jordan Burke

Student ID: 001179962

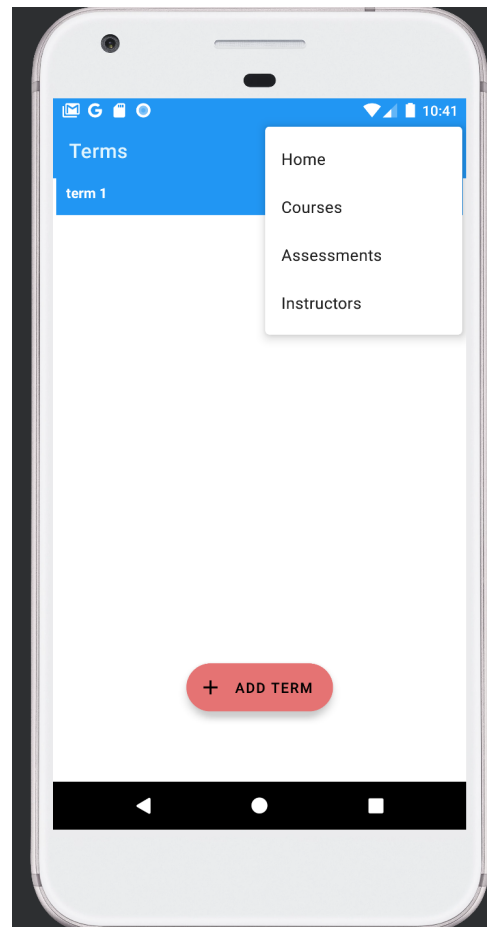

Home Screen → Select “View Schedule” to enter Term Activity

Term Screen

Select “Add Term” to add a term.

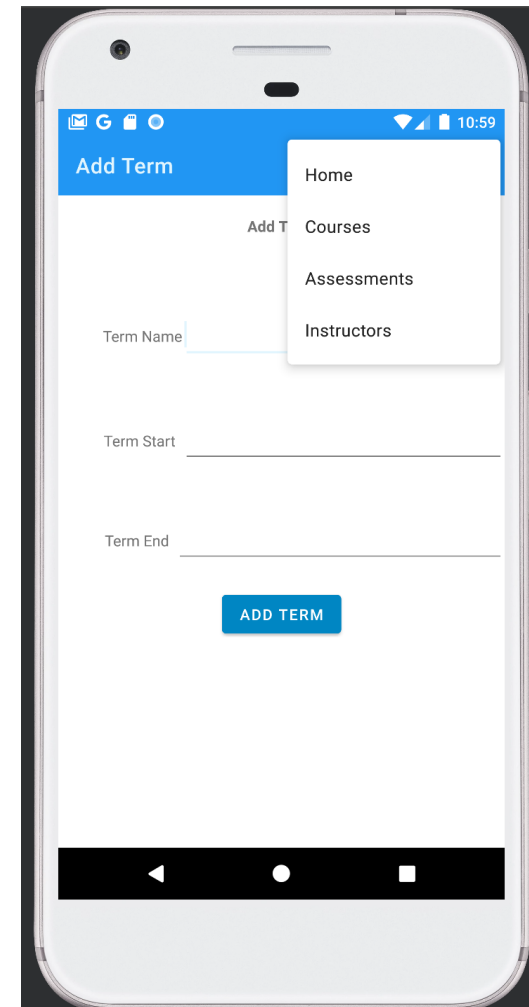

Select any term listed in the recycler view to view term details or select the toolbar icon to navigate to “Courses”, “Assessments”, or “Instructors”.

Add Term Screen

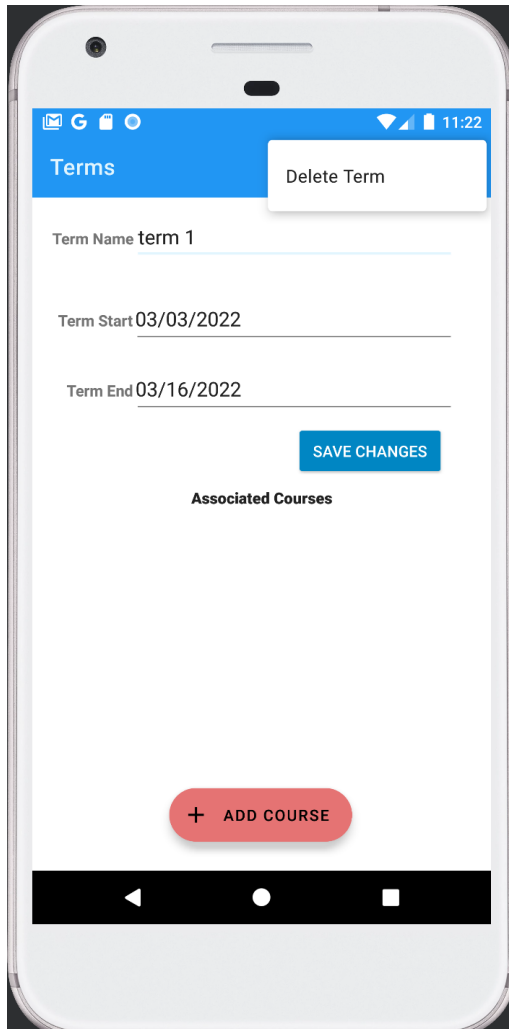

Fill out fields to add a term

or navigate to any of the views in the menu.

Term Details Screen

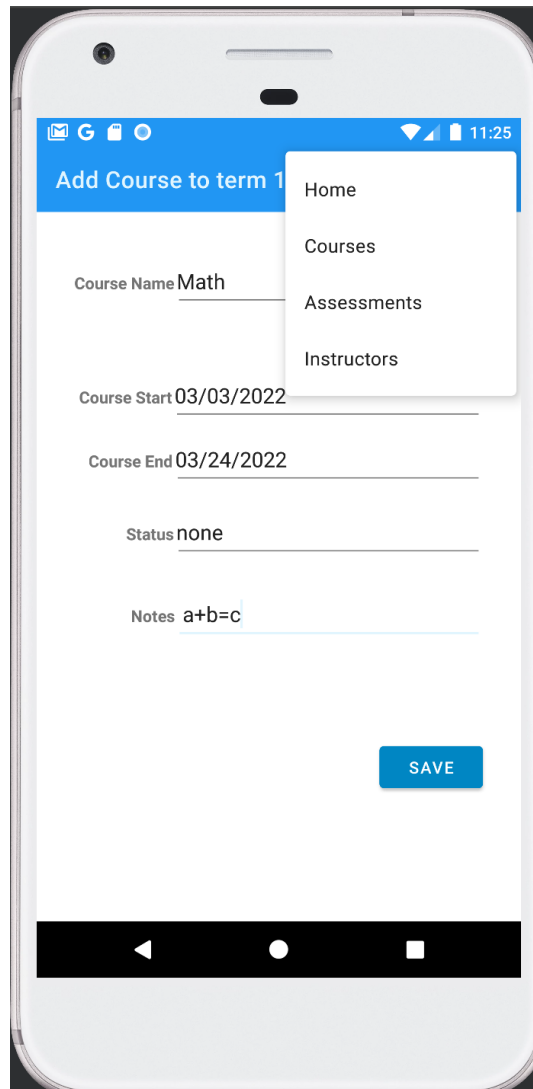

Update term details and save
Add an associated Course
To this term or delete the term.

The Term Details Screen shows a form for editing term information. At the top, there's a blue header with the title "Terms" and a "Delete Term" button. The form includes three input fields: "Term Name" with the value "term 1", "Term Start" with the value "03/03/2022", and "Term End" with the value "03/16/2022". Below these fields is a blue "SAVE CHANGES" button. Underneath the button is the text "Associated Courses". At the bottom of the screen is a red button with a plus icon and the text "ADD COURSE". The Android navigation bar is visible at the very bottom.

Add Course Screen

Fill out the fields to add a course to
the associated term (in this case, term 1).
Select "Save" to save the course.
To navigate away, select the toolbar options.

The Add Course Screen displays a form for adding a new course. The blue header contains the title "Add Course to term 1". A dropdown menu is open, showing options: "Home", "Courses", "Assessments", and "Instructors". The form fields include: "Course Name" (Math), "Course Start" (03/03/2022), "Course End" (03/24/2022), "Status" (none), and "Notes" (a+b=c). A blue "SAVE" button is located at the bottom right. The Android navigation bar is at the bottom.

Course Screen

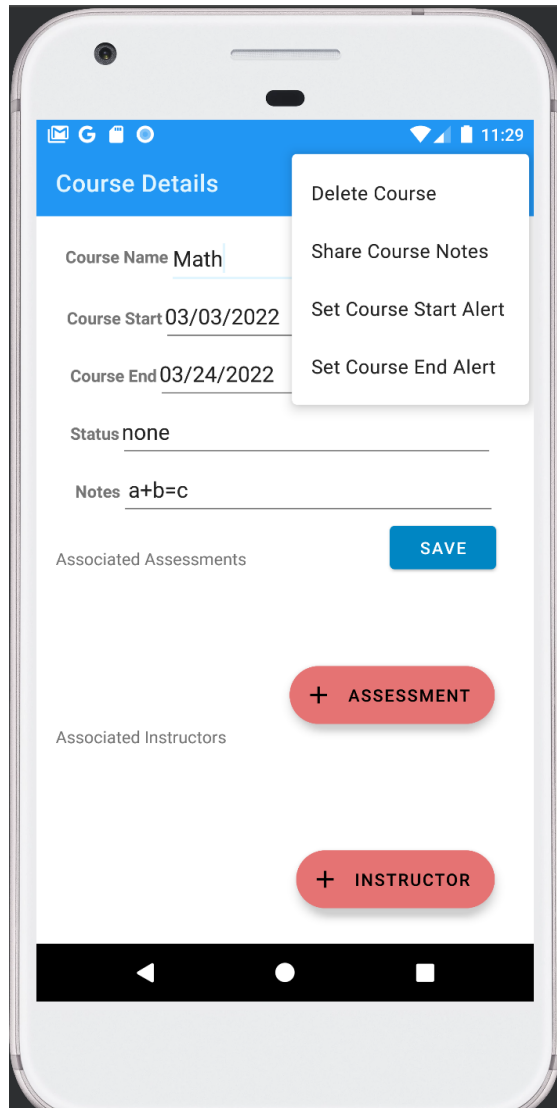

Select a course from the list to view
Course details or use the toolbar to
Navigate to another screen.

The Course Screen shows a list of courses. The blue header has the title "Courses" and a three-dot menu icon. A list item "Math" is visible and highlighted with a blue background. The rest of the screen is empty, suggesting more courses could be listed. The Android navigation bar is at the bottom.

Course Details Screen

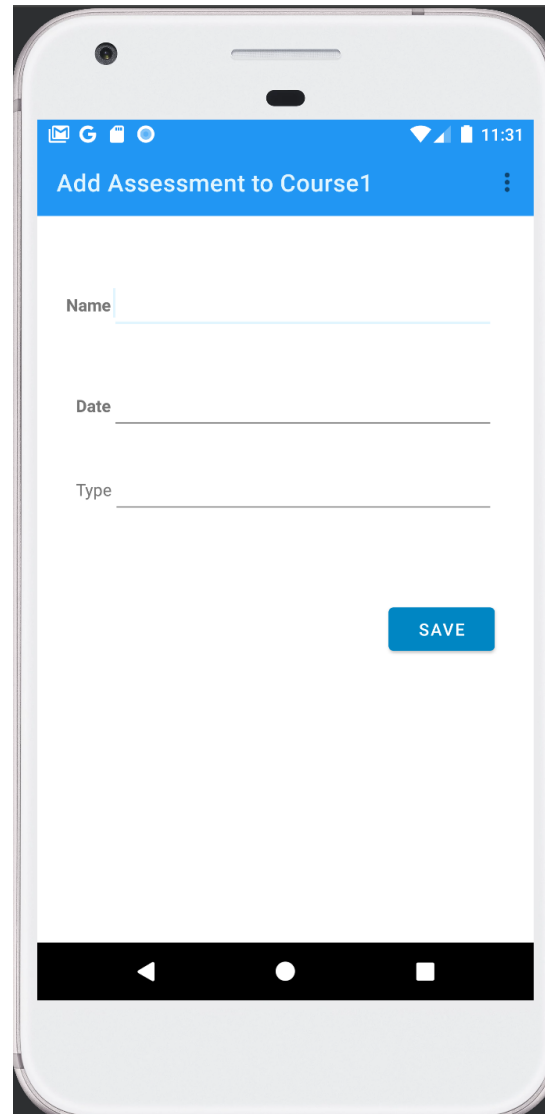

You can update course details from this Screen and select save. You can delete the Course if there are no associated instructors or Assessments. You can share course notes as well as set course start and end alerts.

The Course Details screen shows a form for updating course information. The title bar is blue with the text 'Course Details' and a menu icon. The form fields include: Course Name (Math), Course Start (03/03/2022), Course End (03/24/2022), Status (none), and Notes (a+b=c). A 'SAVE' button is located below the Notes field. Below the 'Associated Assessments' section, there is a red button with a plus sign and the text '+ ASSESSMENT'. Below the 'Associated Instructors' section, there is a red button with a plus sign and the text '+ INSTRUCTOR'. A context menu is open over the 'Course Name' field, showing options: 'Delete Course', 'Share Course Notes', 'Set Course Start Alert', and 'Set Course End Alert'.

Add Assessment Screen

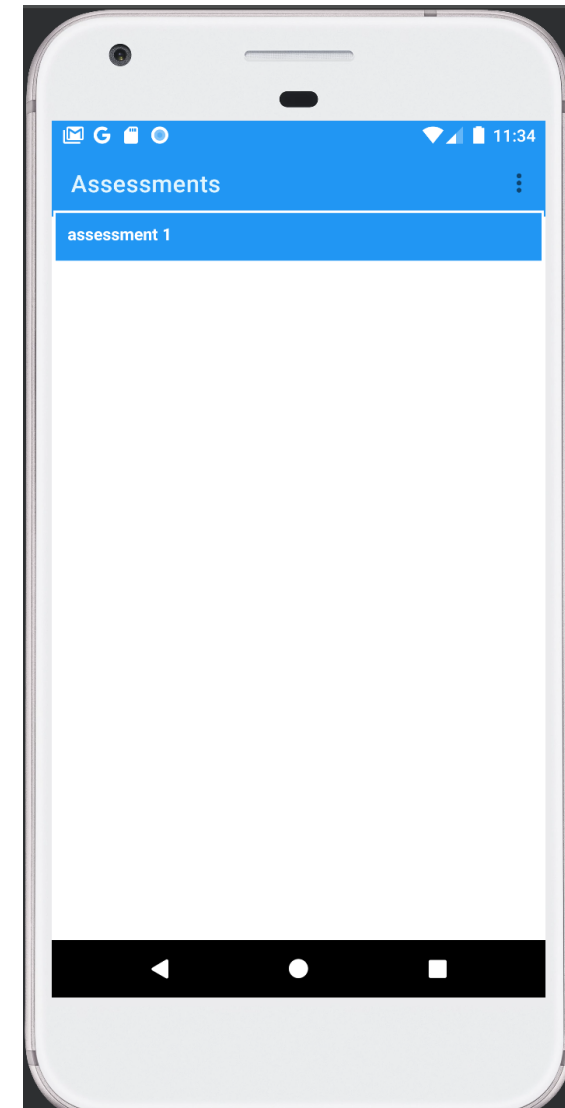

Fill out fields to save an assessment to a course. You may also navigate away using the toolbar icon.

The Add Assessment screen shows a form for adding a new assessment. The title bar is blue with the text 'Add Assessment to Course1' and a menu icon. The form fields include: Name, Date, and Type. A 'SAVE' button is located at the bottom right of the form.

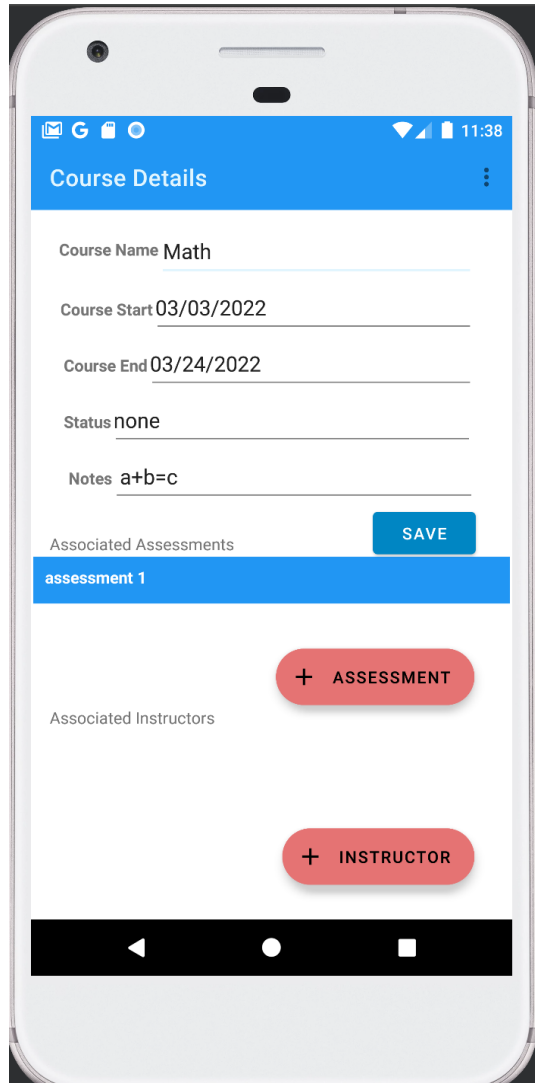

Assessments Screen

Select an assessment from the list to view it's details. You may also navigate away using the toolbar icon.

The Assessments screen shows a list of assessments. The title bar is blue with the text 'Assessments' and a menu icon. The list contains one item: 'assessment 1'.

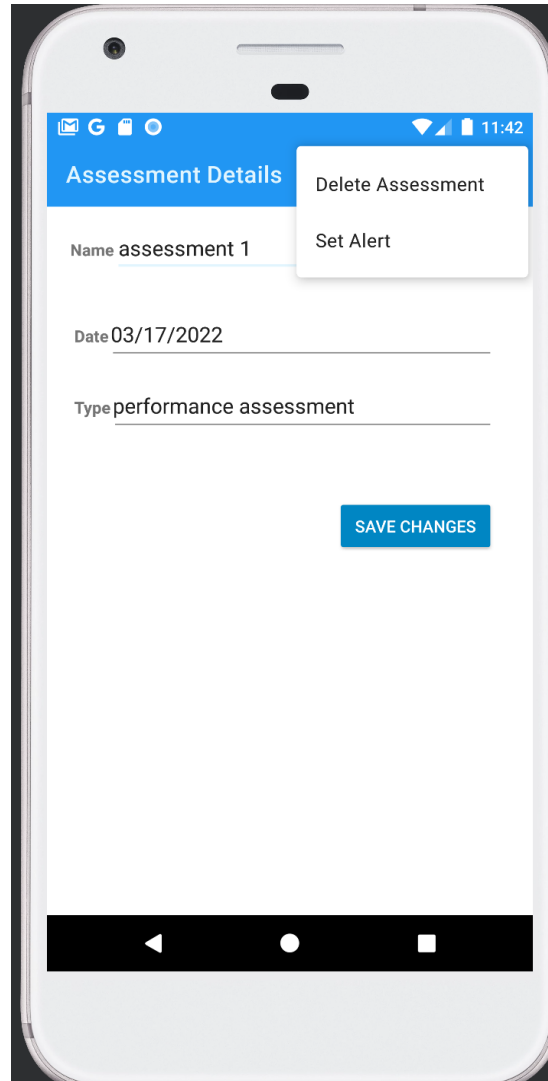

The assessment is now associated with the course. You may add additional Assessments or Instructors. You may also click on the assessment to view its Details

The Course Details screen displays a form for course information. The title bar is blue with the text 'Course Details' and a three-dot menu icon. The form includes fields for Course Name (Math), Course Start (03/03/2022), Course End (03/24/2022), Status (none), and Notes (a+b=c). Below these fields is a 'SAVE' button. Under the 'Associated Assessments' section, 'assessment 1' is listed. At the bottom, there are two red buttons: '+ ASSESSMENT' and '+ INSTRUCTOR'. The bottom navigation bar shows the back, home, and recent apps icons.

Assessment Details Screen

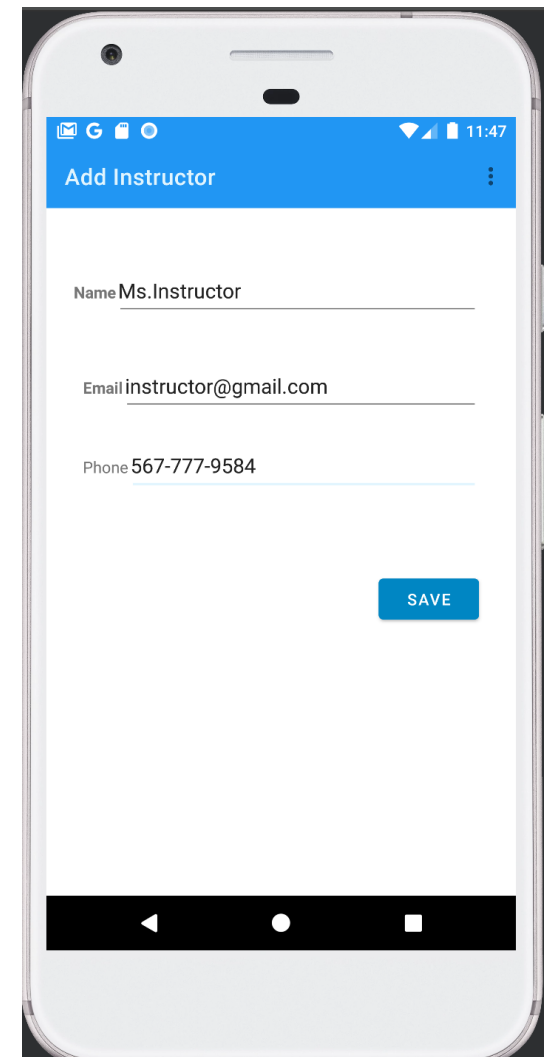

You can alter the assessment details or select the toolbar icon to delete the assessment or set an alert to remind of the assessment date.

The Assessment Details screen displays a form for assessment information. The title bar is blue with the text 'Assessment Details' and a three-dot menu icon. The form includes fields for Name (assessment 1), Date (03/17/2022), and Type (performance assessment). Below these fields is a 'SAVE CHANGES' button. A context menu is open over the 'Name' field, showing options 'Delete Assessment' and 'Set Alert'. The bottom navigation bar shows the back, home, and recent apps icons.

Add Instructor Screen

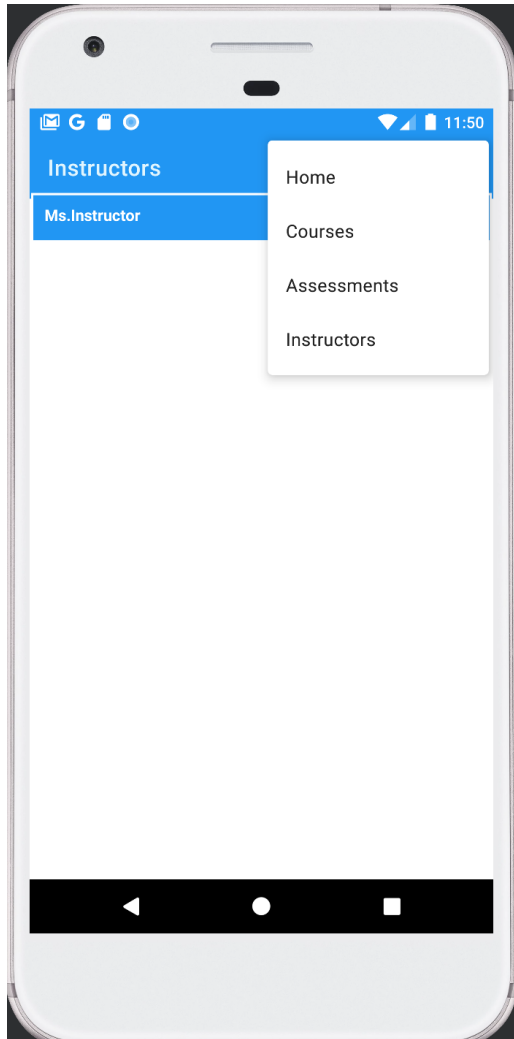

Fill out the fields to add an instructor to the course chosen. Select save or use the toolbar to navigate to a different screen.

The Add Instructor screen displays a form for adding an instructor. The title bar is blue with the text 'Add Instructor' and a three-dot menu icon. The form includes fields for Name (Ms.Instructor), Email (instructor@gmail.com), and Phone (567-777-9584). Below these fields is a 'SAVE' button. The bottom navigation bar shows the back, home, and recent apps icons.

Instructors Screen

Select an instructor from the list to view its details. You may also use the toolbar icon to navigate to the screen of your choosing.

Instructor Details Screen

You may edit the fields and save the the updated instructor details. You may also delete the instructor.
